

## HM launches new variants

■ HINDUSTAN Motors has launched new variants of the Ambassador and the Winner CV recently. The changes to the good old Ambassador remain limited to a new colour, modified rear seats, Stanley leather seat covers, new gear knob, steering wheel and door pads, new fascia, central and mini console, remote boot opener, driver door trim mounted power window regulator controls.

The other new offering is the HM-Shifeng Winner 1.5 Diesel in dual tone exterior colour - off-white and highway red, and the 1.8 CNG variant in white and green. These are equipped with additional features like round shape headlamps, metallic bumper, and modified upholstery.
