

Mitsubishi organises some off-road fun

■ MORE than 24 owners of Mitsubishi Pajeros participated in the Pajero Heart-in-Mouth (HIM) rally in Vadodara. The adventurous and adrenaline-charged SUV event came on the heels of similar rallies organised very successfully in Ludhiana and Delhi recently. HIM rallies will be held in Pune, Bangalore and Coimbatore in the coming months.

The rally was organised to provide owners of the Mitsubishi Pajero an opportunity to explore and experience the outstanding off-roading capabilities of the iconic SUV which has

the unique distinction of having won the Dakar Rally as many as 13 times.

A large number of Mitsubishi Pajero owners and SUV fans from in and

around Vadodara and Ahmedabad gathered to expose their mean machines to the challenge of extremely tough driving conditions.
