

Cedia Select 2012 From Hindustan Motors

Hindustan Motors Ltd have introduced an all-new Cedia Select 2012 with a host of new features. The vehicle now comes with a seven-inch MapMyIndia Android-based car pad and a four-speaker Kenwood DVD player with 6.1-inch touch-screen interface which is GPS compatible and has Bluetooth/USB connectivity as well. The rear-view camera, fitted at the back of the vehicle, also offers output on the audio unit.

The 2.0-litre petrol-powered Cedia now comes with a three-spoke, black, leather-wrapped hydraulic power-assisted steering and oyster leather seats for five, thereby raising the comfort quotient. The smart vehicle with 115 PS of peak power and 175 Nm of torque offers a new two-tone beige interior and beige floor mats, sparkling 12-spoke alloy wheels, high-intensity clear-lens halogen headlamps and a two-stage horizontal-slat, matte black grille.
