Perfect Projection

A new series of highly-affordable multimedia projectors were launched recently by Epson

—Epson EB-S9/X9 and the Epson EB-X10/W10.

The range of

projectors combine a low acquisition cost with a host of useful features that give them excellent performance and value, making them ideal for a wide range of applications from business presentations to education and even home entertainment.

These new models use the Epson proprietary 3-chip, solid-state 3LCD optical engine; in which each LCD chip is dedicated to processing one of the primary colours: red, green and blue.

Top Gear

Hindustan Motors Ltd launched two variants of the sub-3 tonner light commercial vehicle Winner XD Plus in 1.5 Diesel and 1.8 CNG versions at the recent Auto Show East at the Salt Lake Stadium Grounds. The HM-Shifeng Winner 1.5

Diesel in dual tone exterior colour, off-white and highway red and the 1.8 CNG variant in white and green colour will be equipped with features like round shape headlamps, metallic

bumper, and modified upholstery. The two vehicles drew a lot of attention and HM fans were bowled over by the looks and characteristics. Manoj Jha, MD, Hindustan Motors, said, "HM will be launching several new variants in both the passenger and CV segments in the next 12 to 15 months."
