The ten best new cars of 2010

It's that time of year again when we look back at the year gone by and think about the cool stuff we did, and all the wonderful things we've learned (imagine something inspirational here).

It's also December and the time to booze our senses and incapacitate our driving skills is upon us. Just before we become unfit to get behind the wheel, here are our favourite rides of the year.

Oh and if you are planning on buying a car, now's the best time to place your order because come January 2011, companies are hiking their prices by up to 3%. Merry Christmas.

10. Nissan Teana

Because: It's the best kept secret in the country.

9. Skoda Superb

Because: Nothing comes close to its price to space ratio.

8. Mercedes GL350

Because: Whether you're on the road or off it, the GL will keep you comfortable.

7. Audi A4

Because: No matter how long you drive it for, the A4 will leave you wanting more.

[\(Review: Functional form\)](#)

6. Chevrolet Beat

Because: Even cheap cars can make you feel pampered, and the Beat does it best.

5. Range Rover

Because: It's the best off-roader. Period.

4. BMW 5-series

Because: BMW has found the perfect balance between performance and luxury with the 5-series.

3. Mitsubishi Evo X

Because: It makes sliding around a track is more fun than you can imagine.

[\(Review: Rally special\)](#)

2. Jaguar XJ

Because: It's big, it's comfortable, it's fast, and it's Indian.

[\(Review: On the prowl\)](#)

1. Bugatti Veyron Grand Sport:

Because: It is the fastest, most incredible convertible on the planet – what else can you ask for?
