

Hindustan Motors introduces Mitsubishi Montero SUV with fresh features, Vehiclepassion, April 16

Following up on the launching spree of some great performance oriented cars, Hindustan Motors limited has launched an upgraded version of the ever popular Mitsubishi Montero. The new features are quite talked about as it is said they increase the looks and performance of the SUV exponentially.

A new muscular coloured key-front bumper, new chrome radiator grille, new finish on power window panel and leather seats with a new stitch design, all these make the appearance of the new Montero a scene to behold. The new interior illumination colour makes the interior ambience a treat for the soul.

A 3.2 liter DOHC diesel engine with intercooler and turbocharger, 202 PS@3800 rpm power and 441 Nm@2000 rpm torque provides the much needed compliment to its breathtaking looks. Available in solid white, black mica and cool silver metallic shades, Montero gets better in every aspect.

After the successful launch of Pajero Sport, Outlander 2012 and the recent Montero, Hindustan Motor has adjusted the price of Mitsubishi's Cedia, bringing it to 7.99 lakhs, encouraging the many fans of the sedan to go for it for its sheer price value.
