

## Hindustan Motors introduces all new 2012 Mitsubishi Outlander – Driveinside, April 02

Hindustan Motors has introduced an upgraded Mitsubishi Outlander 2012. The new Outlander's 2.4-litre engine delivers 170bhp and 226Nm torque, making it perfect for both on-road and off-road driving. The Outlander offers smart specifications such as keyless operating systems, highly capable Rockford Fosgate premium 710 watt music system with 6 CD changer and USB port, row seating with tumble function, split tail gate, paddle shifters and cruise control. High contrast meter combination, leather upholstery and 3-spoke leather wrapped steering wheel with audio controls in the interior enhance the style and luxury quotient of the vehicle. In the exterior, the jet fighter type front grill complements the suave and stylish look of the vehicle besides HID headlamps with AFS. ABS and EBD along with

RISE (Reinforced Impact Safety Evolution) body and dual frontal airbags make the Outlander an extremely safe vehicle for its passengers. The new Outlander's two additional rear seats, particularly for children, make it an ideal vehicle for a complete family. The vehicle is priced at Rs 20.55 lac ex-showroom Delhi.

Hindustan Motors entered into technical collaboration with Mitsubishi Motors Corporation of Japan in 1998. Under this license, HM manufactures/markets premium Mitsubishi passenger cars from its third plant situated at Tiruvallur and office in Chennai in Tamil Nadu.
