

## **Mitsubishi Pajero Heart-In-Mouth Rally Concludes In Delhi, Indian Cars Bikes, August 29**

The Mitsubishi Pajero has been around from the 1980's and is one of the favourite SUVs for many even today. Mitsubishi still sell the tough, workhorse of an SUV in India. Recently, Hindustan Motors and Mitsubishi organized an event for Pajero owners to explore the limits of their SUVs. The rally named as Heart-in-mouth sure did keep participants on their toes as they negotiated the tough off-road course.

### **Misubishi Pajero**

The rally was first organized in Ludhiana and became very popular over night. The recent success prompted the organizers to come to Delhi and let Pajero owners from the national capital region explore the limits of their machines. Pajero has been synonymous with off-roading since quite a long time. The SUV has endured some of the toughest terrains when it took part in the world's toughest races, The Paris-Dakar Rally. The Mitsubishi Pajero has won the rally 13 times and has continued to take on the challenge ever since. In India, HM-Mitsubishi offer the Pajero 2.8 SFX with a 2.8 litre SOHC turbocharged diesel engine with 109 PS and 275 Nm of torque.

### Mitsubishi Pajero SUV

The SUV is characterised by the selectable four-wheel drive which can take you over the roughest of the terrains. More than 40 keen owners of the Pajero turned up for the Heart-in-Mouth rally to put their machines through the paces. Most of them might not even had a chance to explore the limits of their SUVs till now and this is what must have brought them to the event. The participants came from all over the national capital region. The rally was flagged off from Tivoli Garden, Chhattarpur Hills, Mehrauli. The rally route was organised over rough terrain including steep demanding up hill segments to deep gullies.
