

## **Mitsubishi Pajero Sport Anniversary Edition SUV launched in India, IndianCarsBikes, July 17**

Japanese car maker Mitsubishi has launched the anniversary edition of the Pajero Sport SUV in India. The new features on the Anniversary Edition will include a touch screen audio system with GPS navigation and rear view camera, sporty rear spoiler, body coloured bumpers and mud guards along with Anniversary Edition emblem. The Pajero Sport is one of the two models in Mitsubishi's product lineup for India. The other model is the Montero SUV. Like every other manufacturer, Mitsubishi is also trying to maintain sales in the times of the slowdown by launching the anniversary edition model. Notably, the Pajero Sport has been doing monthly average volumes of around 140 units.
