

The Amby is the star

■ THE Hindustan Motors Ambassador became the star of a BBC documentary called 'India on Wheels'. The host Justin Rowlatt bought a 16-year-old Ambassador in Delhi and drove it till the culmination of the documentary at the Hindustan Motors plant in Chennai. Needless to say

the iconic Indian car did make quite an impression on viewers.

Michelin's e-guide

■ MICHELIN has published an electronic guide to Le Mans to celebrate the company's ongoing success at the prestigious 24-hour endurance race. It has been produced to give race fans background information, sta
