HM-Mitsubishi Motors new authorised service centre in Goa

HM-Mitsubishi Motors' Authorised Service Centre, under the auspices of M/S Kar Motors is fully functional in Goa now. The facility was inaugurated by Mr. C. Devarajan, Head Service, Spare-parts and Dealer Development, Hindustan Motors Ltd in presence of other company officials here today.

Kar Motors will offer world-class service experience to Mitsubishi customers in Goa. Mitsubishi Motors' entire product range including [Lancer](#), [Cedia](#), [Pajero](#), [Montero](#) and the [Outlander](#), can be serviced here.

Speaking on the occasion, Mr. C. Devarajan said, "We are delighted to start our operations and provide best of the services to our

esteemed customers in Goa. Kar Motors is a state-of-the-art service centre and has been built keeping in mind the needs of our customers. We are glad to partner with Kar Motors in this venture.

Mitsubishi Motors will offer utmost customer delight and world class servicing experience to its patrons. Our [vehicles](#) have very low maintenance cost. This is primarily due to minimal service requirement and reasonable pricing of our spare parts."

Kar Motors is centrally located within 3 kms from the airport and 2kms from the Port. This facility is headed by young and dynamic Mr. Krishnakant Kamath who is a third generation entrepreneur from his family to be in the [automobile](#) industry. Mr. Kamath's vast experience in automobile industry will gratify Mitsubishi customers at the service centre. The service facility is about five thousand square feet in area and can service upto ten [cars](#) in a single day.

With the opening of Kar Motors in Goa, the total number of HM-Mitsubishi Motors' service centres in West India go up to eleven.
