

Here comes the new Amby

Jaydeep Ghosh

Expect Manish Arora to do the quirkiest things, like proudly calling himself the Ladies Tailor. So when it was the night of his post-show party, *Discovery Travel & Living* unveiled the Ambassador car that Arora has revamped for a sex-episode travel show.

The party, hosted at Aqua, was buzzing with energy and the kitschy Amby was hidden behind curtains. Once the party started picking up and the mood was just right, *Discovery Travel & Living's* Rajiv Bakshi unveiled the most dramatic looking Amby with fanfare.

Jazzing up the night was Arora's party-hearty gang. There was cigar lady Ameeta Seth with Ayesha Thapar, the fab looking Aparna Chandra, hotelier Karan Paul and realtor Nicky Rana. Expect the hotties to turn up late at night. We are talking of Zayed Khan. The cool dude absorbed the attention and left soon for an 'after-party'. Shweta Nanda arrived too and she beat Zayed by turning up even later.

My swanky ride: The star of the evening, designer Manish Arora, stands proud with his revamped Amby
